

To the students of Funairi High School,

I hope you all are doing well during this long spring vacation. I'm writing this message to say that I will be leaving Hiroshima and moving to Uji City in Kyoto. I will be a full-time English teacher at Ritsumeikan Uji Junior and Senior High School. I'm looking forward to this opportunity, but I'm also very sad to leave Funairi. I've enjoyed teaching here for 3 years. It has been amazing. I think all of the teachers and students here are wonderful. I hope you continue to enjoy English with the new ALTs.

Sincerely,

Brittany Allen
