~ Preparation for 異文化理解 class~

The worksheet shown below will be used on the first class of 異文化理解 class this year. Please have a look at and think about your own country that you continuously research for this year. You **DO NOT HAVE TO** make a copy of this sheet with the blanks filled in to bring to the class. Just think over your country!

※The following countries are where your senpai chose last year. It will be more interesting to choose a country that you seldom hear.

[Example Countries]

Mexico, Norway, France, Burkina faso, Republic of El salvador, Vietnam, Israel, Azerbaijan, Pakistan, Germany, the United States of America, Singapore.

※You CANNOT chose Japan.

Lesson 1 : Setting your country and Question

Task 1. Choose one country you want to research and write down as many questions on the country as possible. When you think questions, you don't have to be serious.

[Example]

Country : South Korea

- Why is TWICE so popular?
- Which is more delicious, Japanese kimuchi or Korean kimuchi.
- Why are there many IKEMEN in Korean.

Country :

Task 2. Choose 3 questions and share it with your partners.

[Conditions]

- Each HAS TO continue to talk for 5 minutes.
- You need to refer to the reasons.
- You two can take-turn freely.
- Your partner needs to respond, using the conversation expressions below.
